Ritual for the Wellbeing of the Senses (2-Day Programme)

On the first day, we begin with a "body peeling" that renews the skin's surface layers and replenishes oxygen. This is followed by a "body wrap" that fully hydrates the skin.

On the second day, we begin with a regenerating and rejuvenating "facial treatment". This continues with a "foot reflexology massage", stimulating points connected to other parts of the body to help you achieve physical and mental balance.
